

## RCI WEEKS<sup>®</sup> RCI PLATINUM<sup>®</sup>

### RCI Weeks Membership

As an owner at Breezy Point, you can get even more out of your ownership by joining RCI as an RCI Weeks member and gaining access to nearly 4,500 resorts in over 100 countries. RCI Weeks gives you transparency to see exactly what Trading Power you have and exactly what Exchange Power is required to book your dream vacation! RCI Weeks gives you more value – if you trade down for a vacation with a lower Trading Power than your deposit, you receive a Deposit Credit back into your account that can be used for another vacation! RCI Weeks gives you more flexibility – Deposit Credits can be combined with another deposit in order to exchange for a vacation that has a higher Trading Power.

Because we value our owners, we have worked with RCI to provide you a limited time opportunity to join RCI as a Weeks member at a discounted rate. See below on how to take advantage.

### Check Out Procedure

We want all guests to enjoy their vacation here at Breezy Point Timeshare. It starts with a pleasant check-in at our front desk. Our staff does their very best to ensure that your time is enjoyed from start to finish. This can only happen with the help of our departing guests. During your check-out day, a number of steps should be done by you to help guarantee a timely transition for the next guest. When the following courtesies do not occur, it causes a domino effect for late check-ins because the housekeeping staff is unnecessarily overburdened. Please take care of these tasks prior to checking out:

- ✓ Dirty dishes should be loaded and the dishwasher started.
- ✓ Trash should be gathered and taken to the dumpster.
- ✓ Used towels should be moved from all bathrooms and left in the main bathroom on the floor.
- ✓ Linens should be removed and only the sheets and pillow cases gathered and left inside the entry door.
- ✓ The lights should be turned off and the door locked.
- ✓ Keys must be returned to the front desk by 10 AM.

Our contract for housekeeping and laundry services depends on our commitment as owners to complete these procedures in a timely manner. Management has not raised their fees during the last two years, and with our help we hope to keep future increases to a minimum. By completing these simple steps, you can help to make sure that not only your vacation but that of your fellow owners and guests will be memorable.
